LUNA™ 3 MEN OVERVIEW

Meet LUNA™ 3 MEN, the facial cleansing tool that takes care of your skin so you don't have to. Featuring gentle yet firm silicone touchpoints and T-Sonic™ technology, LUNA™ 3 MEN cleans and conditions your skin and beard, removing the grime of the day off your face in just 1 minute, while a targeted firming facial massage reduces the appearance of fine lines so skin looks toned and energized.

Used as part of your daily cleansing routine, LUNA™ 3 MEN's Cleansing Mode channels T-Sonic™ pulsations to provide a much deeper clean than washing by hand, lifting away dirt, oil and dead skin cells to reduce breakouts, remove ingrown hairs, prevent razor burn, and help razor blades last up to 2x longer.

The Firming Massage Mode can then be enjoyed by turning your LUNA™ 3 MEN around and pressing the concentric ridges on the back to your skin, while gentle T-Sonic™ pulsations deliver a relaxing massage that helps diminish visible signs of aging.

CLEANING YOUR DEVICE

Always clean LUNA™ 3 MEN thoroughly after use. Wash the brush surface with water and soap, then rinse with warm water. Avoid using clay-based, silicone-based or grainy cleansers, exfoliators or scrubs, as they may damage the device's soft silicone touchpoints. Pat dry with a lint-free cloth or towel. After use, we recommend spraying the device with FOREO Silicone Cleaning Spray and rinsing with warm water for optimal results.

NOTE: Never use cleaning products containing alcohol, petrol or acetone, as they may irritate the skin and damage the silicone.
